OCTREOSCAN™ IMAGING AGENT AVAILABLE FEBRUARY 9, 2010

Dear Valued Customer,

Covidien is pleased to announce production of Octreoscan™ (kit for the preparation of indium In-111 pentetreotide) has resumed, and new supply will be available for shipment beginning Tuesday, February 9, 2010.

Covidien is committed to providing safe, high quality products to the nuclear medicine community. Thank you for your patience and understanding as we worked to resolve this issue.

We look forward to meeting your future Octreoscan imaging agent needs. If you have additional questions, please contact your local Covidien sales representative at 800-634-1515 or our Customer Service department at 888-744-1414.

Sincerely,

A handwritten signature in black ink that reads "Sandra J. Borgschulte". The signature is written in a cursive, flowing style.

Sandra J. Borgschulte
Director of Marketing, Nuclear Medicine
